### ملخص البحث

إن قضية تحكيم الشريعة الإسلامية من أهم القضايا التي تواجه العالم الإسلامي؛ لأن مصير العرب والمسلمين بل البشرية مرتبط بتحكيم الشريعة الإسلامية فإذا احتكم الناس للمنهج الإسلامي في جميع جوانب حياتهم السياسية والاقتصادية والاجتماعية والأخلاقية سعدوا في الدنيا والآخرة. والتاريخ البشري يشهد أن أسعد فترات البشرية في حياتها عندما قامت الخلافة الإسلامية، حيث تحقق الأمن والسلام وساد العدل والرخاء والحضارة حياة الناس. وكانت أكثر فترات الحياة البشرية شقاءً ونكدًا عندما حكّم الناس بفلسفات ساقطة مستوردة من الشرق أو الغرب، ودخلت شبّهات المستشرقين والمبشرين عالمنا الإسلامي للتشكيك في تطبيق الشريعة الإسلامية، وإبعاد المسلمين عن عقيدتهم التي هي مصدر قوتهم وبها انتصرنا ألف عام، وبغيرها هُزِمنا، ثم تطرق البحث لوضع الحلول والعلاج لإعادة الحاكمية لله سبحانه، وتضمنت الخاتمة لأهم النتائج والتوصيات.

### ABSTRACT [Original]

The Arbitration of legitimate legislation. This case of study is one of the most important difficulties which faces the Islamic world. That's due to a big linkage for Islamic people with the legislations of Islam. When people apply and accept these legislated roles in their system of life in all its aspects, they will not have to suffer and conflict; also they live happy and gain happiness in their after death life. History shows that the most human happiness goes back to the time of caliphate states, and the most suffering time when human depended on their philosophy in man made legislations.

### ABSTRACT [Tierney Version]

Arbitration conducted according to Islamic Sharia is one of the most important issues facing the Islamic World. The fate of Arabs, Muslims, and humanity relies on arbitration according to Islamic sharia. If people are governed by Islam in all aspects of their political, economic, social, and moral life, they will be happy in this life and the next.

The happiest time in human history was during the Islamic Caliphate, when there was peace and security, while justice, wealth, and culture prevailed.

To the contrary, the most miserable periods in history were when men were ruled by the failed philosophies imported from the East and West. The questions of the Orientalists and Humanists caused us to doubt the application of Islamic sharia; these doubts separated the Muslims from their faith, the source of their strength and victory over one thousand years. Without this, we were defeated. We then started down the path to find a solution and bring back the governance of Allah Almighty and reach an end with his guidance and provision.
